Treston concentrates into its core business and divests Hexaplan Oy

Treston continues to concentrate resources into the core business, manufacturing and sales of industrial furniture and storage systems. Following this, Treston has divested direct marketing company Hexaplan to Lounais-Suomen Logistiikkamyynti Oy which is owned by Turun Hylly- ja Trukkitalo Oy and Rastec Sisälogistiikka Oy. The arrangement develops further the relationship between Treston and the buyers. Hexaplan's subsidiaries in Sweden and Norway are also included into the arrangement.
